

Llewellyn H. Rockwell, Jr.
The Promise of Human Action
7 December 2010: LewRockwell.com

*When we honor **Human Action** on this great anniversary of the book's publication, we must also honor the fighting spirit that led him to write it in the first place, and to see it through to its **miraculous** publication.*

Llewellyn H. Rockwell, Jr., former editorial assistant to Ludwig von Mises and congressional chief of staff to Ron Paul, is founder and chairman of the Mises Institute, executor for the estate of Murray N. Rothbard, and editor of LewRockwell.com.
